Subject: Audit

Policy: The Chapter's receipts, disbursements and cash balance will be audited within 60 days of each fiscal year-end. The Audit Committee will review the procedures annually and recommend changes to the Board as appropriate.

Procedures: The Audit Committee will prepare a written report to be presented to the Chapter's Board no later than the Fall meeting. The audit committee's report, including reviewed financial statements, will be made available to Chapter members upon request.

Subject: Awards

Policy: The Chapter will pay for any awards given to members, including but not limited to Chair awards, President's Plaque, tournament prizes, and President Pins. Other awards, such as most outstanding member and most active member, may be approved by the Board.

Procedures: Costs associated with any member awards should be included in the annual Chapter budget. Expenditures for awards not included in the Chapter budget must be approved by the Board.

Subject: Chapter Reserve Funds

Policy: Adequate reserves shall be maintained in accordance with standards set by HFMA National. These cash reserves shall be maintained in a liquid enough position to meet cash outlays without sustaining penalties for early withdrawal of funds. A maximum of seventy-five percent of the current operating budget will be held in these contingent reserves.

Procedures: The Chapter or the broker will hold title to all investment instruments. The Treasurer or broker shall invest the reserve funds as follows:

- A minimum of twenty-five percent of the current year's budget will be put into interest-bearing money-market accounts.
 - Reserve funds shall be invested using the approved investment policy guidelines of the Arkansas Chapter HFMA.
-

Subject: Complaint Resolution

Policy: Complaints should be registered with the Chapter Manager and will be evaluated and resolved by the Board.

Procedures: Any complaint should be registered with the Chapter Manager at arhfma@arkansashfma.org.

Subject: Conflict of Interest

Article I: The purpose of the conflict of interest policy is to protect the interests of this tax-exempt organization, (the “Chapter”), when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Chapter or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II: Definitions

1. Interested Person – Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.
2. Financial Interest – A person has a financial interest if the person has, directly or indirectly, through business, investment or family:
 - a. An ownership or investment interest in any equity with which the Chapter has a transaction or arrangement,
 - b. A compensation arrangement with any entity or individual with which the Chapter has a transaction or arrangement, or
 - c. A proposal ownership or investment interest in or compensation arrangement with any entity or individual with which the Chapter is negotiating a transaction or arrangement. Compensation includes direct or indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III: Procedures

1. In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.
2. The remaining board or committee members shall decide if a conflict of interest exists.
3. After disclosure of the financial interest and all materials facts, and after any discussion with the interested person, he or she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon.
4. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he or she shall leave the meeting during the discussion of and the vote on the transaction or arrangement involving the possible conflict of interest.

Subject: Course Update

Policy: The Chapter will comply with course update requirements for the types of programs it offers.

Procedures: For group live and group internet-based programs, course documentation will contain the most recent effective information as of the date of the event.

Subject: Depository Institutions

Policy: The Chapter Treasurer shall maintain all checking and investment accounts, with authorized signatures for withdrawal of funds, in a FDIC insured financial institution.

Procedures: Said funds are to be invested in any institution covered by FDIC. Investment transactions are to be reported by the treasurer to the Board at each meeting. Investments maturing in excess of six months require prior approval by a majority of the members of the Board. The secretary is responsible for maintaining custody of insurance bonding, in the appropriate amount, to cover funds handled. Bonding coverage must be obtained within 30 days of taking office. The secretary will advise the Board of Directors of bonding coverage by memo prior to the Board's August meeting.

Subject: Expenditure Approval

Policy: All expenses must have dual approval by two officers/board members before being paid or reimbursed.

Procedures: Before an expense can be paid or reimbursed, documented approval must be obtained from two officers or board members. Since all checks are issued by the Treasurer, the issuance of the check is considered to be implicit approval of the expense. Therefore, for expenses that are paid by check, only one documented approval must be obtained. Most expenses will be approved through an email from the President (or other officer) to the Treasurers. These emails should be retained in accordance with the Chapter's record retention policy.

For expenses that are not paid by check, such as refunds of meeting registration fees, there is no implicit approval by the Treasurer. Therefore, documented approvals from two officers/board members must be obtained.

Subject: Expense Reimbursement – Chapter Meetings

Policy: The Chapter will pay all expenses necessary for the presentation of an approved meeting or workshop. Allowable meeting and workshop expenses shall include, but not be limited to:

- Meeting facilities
- Networking events
- Speaker honorariums and expenses
- Administrative expenses

Procedures: The Chapter member or speaker incurring the expense shall submit a written request to the Program Chairman for approval. The request must identify meeting and date and must be accompanied by paid receipts. All approved requests shall be submitted to the Treasurer for payment.

Subject: Expense Reimbursement – Arkansas Member Speakers

Policy: The Chapter will waive the meeting registration fee for any Arkansas HFMA member who is speaking at that meeting. No other payment will be made to the speaker and no expenses will be reimbursed by the Chapter.

Subject: Expense Reimbursement – Non-Arkansas Member Speakers

Policy: The Chapter will reimburse any speakers who are not members of the Arkansas Chapter of HFMA for their out-of-pocket expenses relating to a speaking engagement. An honorarium may be paid to an engaged speaker for his or her presentation if authorized according to procedures.

Procedures: Each speaker should be asked to make arrangements for all personal travel except hotel accommodations. Hotel accommodations, meeting rooms and audio visual aids will be coordinated and arranged for by the Chapter. Prior to engagement, a speaker should be asked to give an estimate of his or her expenses. Expenses will be reimbursed to an engaged speaker (up to two speakers per joint or concurrent presentation) by the Chapter as follows:

- The Chapter will provide complimentary meeting registrations for up to two Presenters per Joint or Concurrent presentation. A complimentary meeting registration will also be provided for panel members.
- Transportation will be fully covered from speaker's point of origin to the meeting destination. Only reasonable coach airfare expense will be reimbursed.
- If a speaker prefers to book his/her own hotel reservation, the Chapter will reimburse room and tax expense for up to one night's stay at our group rate at the conference hotel. If the speaker stays in a different hotel, the Chapter will reimburse the lesser of one night at the actual rate paid or the conference hotel group rate. Any incidental hotel expenses will be the responsibility of the speaker. Hotel accommodations will be reimbursed for one night only unless the speaker is speaking for two days or there is prior approval from the President.

Subject: Expense Reimbursement – Non-Arkansas Member Speakers, continued

- Automobile expenses will be reimbursed at the current IRS allowed mileage rate per mile for personal car or actual fees for car rentals.
- Meals will be reimbursed at up to \$75 per day, with receipts.
- Meal gratuities shall not exceed twenty-five percent (25%) of meal costs. Reasonable tips will be reimbursed for bellmen, etc.
- Parking expenses will be reimbursed for reasonable and customary fees.
- The Chapter does not reimburse entertainment expenses, personal guest expense, long-distance telephone expense, travel life insurance, or administrative expenses (e.g. production of handouts not associated with the presentation, rental of presentation equipment, etc.).
- Other miscellaneous expenses must be itemized and may be reimbursed at a reasonable rate.
- Other expenses should not exceed budget. Any exception to expense reimbursement must be approved by the Board.

Honorariums will be paid only when absolutely necessary. The honorarium cannot exceed \$500 unless authorization is obtained from the Chapter President. The Chapter President may authorize an honorarium of up to \$1,000. The Chapter President may also authorize an honorarium of up to \$5,000, as long as the total speaker expenditures for the Chapter meeting in question do not exceed budgeted expenditures as approved by the Board. If the honorarium is between \$1,000 and \$5,000 and total speaker expenditures for the Chapter meeting in question are in excess of budgeted expenditures, the honorarium must be approved by the Board prior to the engagement of the speaker. In all cases, honorariums in excess of \$5,000 must be approved by the Board prior to engagement of the speaker.

Within one month after his or her engagement, the speaker must submit an expense statement, including all receipts for hotels, meals and transportation, to the Treasurer of the Chapter for approval by the Treasurer and one other Chapter officer. Upon approval, a check will be mailed to the speaker for all approved expenses relating to his or her speaking engagement. If an expense statement has not been received within one month of the event, all speaker expenses will be considered a donation to the Chapter.

HFMA has adopted a Code of Ethics, which requires each member of HFMA to promote the highest standards of professional conduct by practicing honesty and maintaining personal integrity. In furtherance of these principles, HFMA has adopted a whistleblower protection policy.

Procedures: Pursuant to this policy, as applicable to HFMA itself, any employee or member who becomes aware of any violation of federal, state, or local law or regulation, including any financial wrongdoing, should immediately report the violation to the President to allow the organization to investigate and, if applicable, correct the situation or condition.

Members and employees are reminded of the importance of keeping financial matters confidential. Members and employees with questions concerning the confidentiality or appropriateness of disclosure of particular information should contact the Chapter President or HFMA National office executive.
